

PCR screening sample can be taken in the comfort of their own villa

## WORRY-FREE HOLIDAY IN THE MALDIVES

Crossroads Maldives provides the guests with a worry-free holiday in the Maldives with easy, efficient and cost-effective arrangements for PCR exit screening following their stay at Hard Rock Hotel Maldives and SAii Lagoon Maldives.

- Well-equipped clinic with a doctor and a nurse based 24/7 at The Marina at Crossroads.
- World-class international hospital with state-of-the-art facilities located just 15 minutes away from the resort for any medical assistance.
- PCR exit screening is arranged and organized by the team in a timely manner based on your requested timings. Some countries require 72, 48 or 24 hours old PCR test from the boarding and/or arrival time. Please ensure to have the latest information that is applicable to your destination as the rules are changing rapidly.
- Guests can have the sampling taken in the comfort of their beach or overwater villa without having to visit the clinic in person.
- PCR screening by a third party costs USD 120 per person. Subject to change at the discretion of the third party.
- Test results delivered to the villa within 24 hours.

If guest receives a negative result;

- Printed copy of the negative test result will be provided to be presented to airport immigration upon departure and/or the immigration of the guest's destination.

If guest receives a positive result;

- Guest who tests positive will be offered to stay in self-quarantine for 14 days in the designated beach front Studio block at Hard Rock Hotel Maldives or Sky/Beach at SAii Lagoon Maldives.
- Normal room rate as per the package will no longer be charged to the guest.
- Special room rate of USD 150++ per person per day\* on full board basis.
- Dedicated host to assist and liaise with any assistance required during the self-quarantine.
- Complimentary use of Fender electric guitars, Crossley turntables, board games and PS4 during the quarantine period if staying at Hard Rock Hotel Maldives or selection of movies at SAii Lagoon Maldives.
- Upon completion of the 14 days of quarantine another PCR screening test will be taken.
- Once the negative test result is received and cleared by the authorities, the guest can exit the self-quarantine and can continue his/her vacation.

For remaining members of the group:

- if was in close contact but with negative result will also require a quarantine as per Safety Guideline. The guest will be provided a separate room in the designated block for quarantine of 14 days. Special room rate of USD 150++ per person per day\* on full board basis will be extended.

Close contact is defined by the authorities as:

- Being within 1 meter of a confirmed or probable COVID-19 case for >15 minutes without wearing a mask.
  - Direct physical contact with a confirmed or probable COVID-19 case.
  - Providing direct care for patients with a confirmed or probable COVID-19 disease without using proper personal protective equipment. Unprotected direct contact with infectious secretions of a COVID-19 case (for example being coughed on).
  
  - Person who were in a closed environment (household, classroom, meeting room, hospital waiting room etc.) with a COVID-19 case for more than 15 minutes.
  - In a flight or public transport, anyone sitting within two rows of a COVID-19 patient for >15 minutes and any staff in direct contact with the case.
- 
- if not close contact, the guest can continue his/her vacation but will be required to wear mask in all public areas and keep social distancing from staff and other guests. The guest can continue to stay in their own villa and room charges will be as per booked rate.
